Authority: T.C.A. §§ 49-4-203, 49-4-204, 56-1-312, 63-1-141, and 2012 Public Acts, Chapter 519.

Default may also occur if a borrower has failed to enter into a payment plan, fulfill a service obligation, or comply with a payment plan previously approved by TSAC.

Service of process will be considered sufficient if the return receipt requested is refused or unclaimed as noted by the postal authority. The notice shall advise the borrower of TSAC's intent to file an Order of Default with the appropriate licensing authority ninety (90) days after service to suspend, deny or revoke the borrower's license unless the borrower:

1640-01-23-.06 ORDER TO TERMINATE SUSPENSION OR NOTICE OF COMPLIANCE.

- (1) Once the debt has been paid in full, a payment plan acceptable to TSAC has been entered into and a payment has been received by TSAC, or a service obligation is fulfilled, the borrower shall be eligible for reinstatement and TSAC shall issue an Order to Terminate Suspension to the appropriate licensing authority to terminate the suspension, denial, or revocation, restoring or reinstating the license that was previously suspended, revoked, or denied, except that
- (a) TSAC shall issue a Notice of Compliance to the Tennessee Supreme Court or the Tennessee State Board of Education.

- (2) TSAC shall send a copy of the Order to Terminate Suspension to the borrower notifying the borrower that the suspension, denial, or revocation has been rescinded and puts the borrower on notice for actions of subsequent defaults, except that

 - (a) For those licensed by the Tennessee Supreme Court or the Tennessee State Board of Education who fail to comply with the agreed payment plan or service obligation, a subsequent Notice of Default shall immediately be issued to the Tennessee Supreme Court or the Tennessee State Board of Education.
- (2) A second default or delinquency by the same borrower will result in the requirement of three (3) consecutive monthly payments before the borrower can be eligible for reinstatement. All subsequent defaults or delinquencies by the same borrower will result in the requirement of four (4) consecutive monthly payments before the borrower can be eligible for reinstatement, except that
 - (a) For those licensed by the Tennessee Supreme Court or the Tennessee State Board of Education who have a second Notice of Default issued to the Tennessee Supreme Court or the Tennessee State Board of Education, three (3) consecutive monthly payments shall be required before TSAC will issue a Notice of Compliance. Furthermore, all subsequent Notices of Default by the same borrower will result in the requirement of four (4) consecutive monthly payments before a Notice of Compliance will be issued.
- (3) The borrower shall be notified in both the initial Order or Notice of Default and the payment agreement plan that all subsequent defaults or delinquencies will result in an immediate issuance of an Order or Notice of Default to the appropriate licensing authority.

Regulatory Flexibility Addendum

Pursuant to T.C.A. §§ 4-5-401 through 4-5-404, prior to initiating the rule making process as described in T.C.A. § 4-5-202(a)(3) and T.C.A. § 4-5-202(a), all agencies shall conduct a review of whether a proposed rule or rule affects small businesses.

The agency shall consider without limitation, certain methods of reducing the impact of the proposed rule on small businesses while remaining consistent with health, safety and well-being and those methods are as follows: the extent to which the proposed rule or rules may overlap, duplicate, or conflict with other federal, state, and local governmental rules; clarity, conciseness, and lack of ambiguity in the proposed rule or rules; the establishment of flexible compliance and/or reporting requirements for small businesses; the establishment of friendly schedules or deadlines for compliance and/or reporting requirements for small businesses; the consolidation or simplification of compliance or reporting requirements for small businesses; the establishment of performance standards for small businesses as opposed to design or operational standards required in the proposed rule; and the unnecessary creation of entry barriers or other effects that stifle entrepreneurial activity, curb innovation, or increase costs.

Description of Proposed Rules

The Tennessee Student Assistance Corporation (TSAC) intends to file the proposed rules pursuant to T.C.A. § 4-5-202 in lieu of a rulemaking hearing for the new rules Chapter 1640-01-23 Procedures Affecting Professional Licenses. It is the intent of TSAC to promulgate these rules without a public rulemaking hearing unless a petition requesting such hearing is filed within sixty (60) days after the first day of the month subsequent to the filing of the proposed rule with the Secretary of State.

The proposed rules implement the process whereby professional licenses, certificates, and registrations authorized by the state of Tennessee may be subject to disciplinary action for default on a repayment or service obligation under any Federal Family Education Loan program, a student loan guaranteed or administered by TSAC, or any other state or federal educational loan or service-conditional scholarship program.

Regulatory Flexibility Analysis - Methods of Reducing the Impact of Rules on Small Businesses

1. Overlap, duplicate, or conflict with other federal, state, and local governmental rules:

The proposed rules will not overlap, duplicate, or conflict with other federal, state, and local governmental rules.

2. Clarity, conciseness, and lack of ambiguity in the rule or rules:

The proposed rules were patterned to ensure clarity and conciseness of the language of the rules and to eliminate possible ambiguity in the interpretation of the rules.

3. Flexible compliance and/or reporting requirements for small businesses:

The proposed rules were drafted to facilitate administration of the program for all Tennessee state licensing authorities.

4. Friendly schedules or deadlines for compliance and/or reporting requirements:

TSAC has met with and provided a copy of these rules to the Tennessee Board of Professional Responsibility, the Tennessee Bar Association, and the Tennessee State Board of Education. No comments or concerns regarding these rules or the schedules and deadlines for compliance and/or reporting requirements have been expressed by any of these entities.

5. Consolidation or simplification of compliance or reporting requirements:

The proposed rules were drafted to ensure solid, easily interpreted, compliance and reporting requirements.

6. Performance standards for small businesses:

TSAC expects all Tennessee state licensing authorities engaged in the administration of the procedures affecting professional licenses to comply with all applicable rules.

7. Barriers or other effects that stifle entrepreneurial activity, curb innovation, or increase costs:

The proposed rules do not contain any foreseeable inhibitors to small business entrepreneurial activities.

Furthermore, the statute requires that the agency, as part of the rulemaking process for any proposed rule that may have an impact on small businesses, shall prepare an economic impact statement as an addendum for each rule. The statement shall include the following: the type or types of small businesses and an identification and estimate of the number of small businesses subject to the proposed rule that would bear the cost of, and/or directly benefit from the proposed rules; the projected reporting, recordkeeping and other administrative costs required for compliance with the proposed rule, including the type of professional skills necessary for preparation of the report or record; a statement of the probable effect on impacted small businesses and consumers; a description of any less burdensome, less intrusive or less costly alternative methods of achieving the purpose and/or objectives of the proposed rule that may exist, and to what extent, such alternative means might be less burdensome to small businesses; a comparison of the proposed rule with any federal or state counterparts; and analysis of the effect of the possible exemption of small businesses from all or any part of the requirements contained in the proposed rule.

Economic Impact Statement

1. Types of small businesses directly affected:

Not Applicable. These rules affect only those Tennessee entities responsible for the issuance of professional licenses.

2. Projected reporting, recordkeeping, and other administrative costs:

There are no significant reporting, recordkeeping, or other administrative costs that will result from the promulgation of these proposed rules.

3. Probable effect on small businesses:

Not Applicable. The proposed rules implement a program whereby Tennessee state licensing authorities will implement procedures affecting professional licenses.

4. Less burdensome, intrusive, or costly alternative methods:

As these proposed rules present no foreseeable cost to small businesses, there is no alternative method to propose.

5. Comparison with federal and state counterparts:

There are no federal or state counterparts to the issues addressed by these proposed rules.

6. Effect of possible exemption of small businesses:

There will be no exemptions created by these proposed rules.

Impact on Local Governments

Pursuant to T.C.A. §§ 4-5-220 and 4-5-228 "any rule proposed to be promulgated shall state in a simple declarative sentence, without additional comments on the merits of the policy of the rules or regulation, whether the rule or regulation may have a projected impact on local governments."

The rules for the Procedures Affecting Professional Licenses Chapter 1640-01-23, as proposed, shall have no projected impact on local governments.

Additional Information Required by Joint Government Operations Committee

All agencies, upon filing a rule, must also submit the following pursuant to T.C.A. § 4-5-226(i)(1).

- (A)** A brief summary of the rule and a description of all relevant changes in previous regulations effectuated by such rule;

The proposed rule acts to adopt the Procedures Affecting Professional Licenses Chapter 1640-01-23 as proposed rules. These rules implement the process whereby professional licenses, certificates, and registrations authorized by the state of Tennessee may be subject to disciplinary action for default on a repayment or service obligation under any Federal Family Education Loan program, a student loan guaranteed or administered by TSAC, or any other state or federal educational loan or service-conditional scholarship program.

As these rules are proposed as new rules there are no previous regulations effectuated by such rules.

- (B)** A citation to and brief description of any federal law or regulation or any state law or regulation mandating promulgation of such rule or establishing guidelines relevant thereto;

T.C.A. §§ 56-1-312 and 63-1-141 direct TSAC to work with the Department of Commerce and Insurance and the Department of Health, respectively, to pursue disciplinary action against individuals holding professional licenses or certificates who have defaulted on their federal student loans. Additionally, Tennessee 2012 Public Chapter 519 expanded the current notification requirements to other state licensing authorities, including the State Board of Education, Ethics Commission, Secretary of State, and Supreme Court.

T.C.A. § 49-4-204 and PC519 authorizes TSAC to promulgate rules to effectuate the purposes of the statutes.

- (C)** Identification of persons, organizations, corporations or governmental entities most directly affected by this rule, and whether those persons, organizations, corporations or governmental entities urge adoption or rejection of this rule;

TSAC, the Tennessee Department of Commerce and Insurance and the Department of Health, as well as the Tennessee State Board of Education, Ethics Commission, Secretary of State, and Tennessee Supreme Court, are most directly affected by these proposed rules.

TSAC has met with, and/or provided a copy of the proposed rules to the aforementioned entities and has received no comments or concerns regarding the proposed rules.

- (D)** Identification of any opinions of the attorney general and reporter or any judicial ruling that directly relates to the rule;

Op. Tenn. Att'y Gen. 12-22 (February 22, 2012) stated that legislation providing for the revocation of a professional license when a debtor is delinquent or in default on student loan obligation is constitutionally defensible as it relates to the state interest of compelling the repayment of student loans and provides sufficient due process to protect the rights of debtors.

Op. Tenn. Att'y Gen. 10-24 (March 1, 2010) stated that an act requiring the Tennessee Supreme Court, which has primary authority to regulate the practice of law including the requirements for professional licenses, to establish guidelines regarding the consequences on attorney licenses for defaulting on a student loan would violate Article II, Section 1 and 2, of the Tennessee Constitution. However, the proposed rules do not require the Tennessee Court to establish the guidelines, nor does TSAC order the court to take disciplinary action; rather it advises the Supreme Court of the attorney's default.

Op. Tenn. Att'y Gen. 02-059 (May 5, 2002) stated that proposed legislation concerning the suspension or revocation of professional licenses of health care professionals who fail to comply with federal or state guaranteed loans or with a service obligation of a loan forgiveness program did not violate either state or federal constitution, particularly as it pertains to the equal protection clause.

- (E) An estimate of the probable increase or decrease in state and local government revenues and expenditures, if any, resulting from the promulgation of this rule, and assumptions and reasoning upon which the estimate is based. An agency shall not state that the fiscal impact is minimal if the fiscal impact is more than two percent (2%) of the agency's annual budget or five hundred thousand dollars (\$500,000), whichever is less;

There is no financial impact resulting from the proposed rule changes.

- (F) Identification of the appropriate agency representative or representatives, possessing substantial knowledge and understanding of the rule;

Peter Abernathy, TSAC Senior Associate Executive Director and Staff Attorney, and Jane Pennington, TSAC Associate Executive Director for Loan Administration.

- (G) Identification of the appropriate agency representative or representatives who will explain the rule at a scheduled meeting of the committees;

Peter Abernathy, TSAC Senior Associate Executive Director and Staff Attorney, and Jane Pennington, TSAC Associate Executive Director for Loan Administration.

- (H) Office address, telephone number, and email address of the agency representative or representatives who will explain the rule at a scheduled meeting of the committees; and
